Believing it is in the best interest of all breeders and/or of all livestock to maintain a reputation of integrity and to continue to present a wholesome and progressive image in the show ring, the Lincoln County Fair Board lists below those practices which are considered unacceptable in presenting livestock in the show ring and, therefore, deemed unethical in the showing of livestock at the Lincoln County Spring Livestock Show:

1. Misrepresenting the age of the animal for the class in which it is shown.
2. Treating or massaging any part of the body internally or externally with an irritant, counter-irritant, or other substance to temporarily straighten a weak back or loin or to produce unnatural animation.
3. Minimizing the effects of crampedness by feeding or injecting drugs, depressants or applying packs or using any artificial contrivance or therapeutic treatment excepting normal exercise.
4. Striking the animal to cause swelling in a depressed area.
5. Surgery of any kind performed to change the natural contour or appearance of the animal's body, hide or hair. Not included is the removal of teats or horns, clipping and dressing of hair, surgical docking and trimming of hooves.
6. Insertion of foreign material under the skin.
7. Any attempt to change breed characteristics of an animal by changing the color of hair, fleece or skin at any point, spot or area on the animal's body.
8. The use of alcoholic beverages in the feed or administered as a drench.
9. Administration of a drug of any kind or description internally or externally prior to entering the show rings, except for treating a recognized disease or injury. For the purposes of these rules, the term "drug" shall mean: any substance which the sale, possession, or use of which is controlled by license under the federal, state or local laws or regulations and any substance commonly used by the medical or veterinary professions which affect the circulatory, respiratory or central nervous system of any animal.
10. Criticizing or interfering with the judge, other exhibitors or show officials before, during or after the event/show may result in an individual or group being expelled, placed on probation, declared ineligible or barred from exhibiting at the current show and all county shows for at least one year.

11. Any violation of these rules may result in disqualification of the exhibitor and the livestock involved. Further, any premium money earned will be refunded by the exhibitor. Any exhibitor found violating this rule may be declared ineligible to exhibit in all county shows for at least one year.

12. Any violation of the Rules and Regulations specifically designed for the individual shows, or the "Show Ring Code of Ethics" may result in forfeiture of all premiums and awards, disqualification, expulsion or probation of the individual, exhibitor, group, organization, association, or livestock involved. Probation disqualification, expulsion or other disciplinary action of the Management will be final. Divisions:

Jr 3rd-8th grade

Sr. 9th-12th grade

Cloverbuds are eligible to judge with no placing

NOTES/PLACINGS:

PREMIUM SALE: Fri, Feb 21st at 6:00pm

1. No exhibitor can have more than one animal in the Sale Order. All Grand and Reserve Grand champions must sell. If an exhibitor has a breed and reserve breed champion, the exhibitor can choose which animal is going to the sale. 4-H leaders and FFA advisors will be given time to meet, 30 MINUTES after the conclusion of the Thursday show in which they decide which one of the animals are to sell if an exhibitor has two or more in the sale order.
2. All animals listed on the sale order will be offered for bonus bids only. All animals will then be eligible to show in other district or state shows.
3. There will be approximately 90 animals in the sale order. There will be 13 steers, 23 lambs, 9 market goats, 2 breeding does, 3 heifers, and approximately 40 hogs in the sale. If one of the animals on the sale order is withdrawn, the animals will move up, making the next alternate eligible to sell.
4. The number of gilts and barrows selected for the Premium Auction will be based on their number of entries as a percentage of the total swine entries. Once that number is determined, those gilts will be selected in sale order.
5. Number of market hogs by breed in the sale order will be determined by the number of head per breed divided by total of market hogs times the number determined as explained in #4 above. Number of market hogs in the sale order by breeds will be posted before the start of the Market Hog show. As each Breed and Reserve Breed champion is selected, the remaining numbers needed are selected by the judge.
7. All breed champions in the lamb classes will be included in the sale order provided there are 5 or more shown per breed. After the Breed and Reserve Breed champion lambs are selected, the judge will select the breed sale order if there are two or more classes in that breed. After the Grand and Reserve Grand champion are selected, the remaining 21 lambs and alternates will be selected from the breeds' sale order by the judge.
8. There is no guaranteed breeding ewe premium position. Breeding ewes will have a preliminary sale order during the ewe show and will be in the lineup as a "breed" during the sale order selection process for Market Lambs.
9. The owner of the animal must present his or her animal into the show ring unless excused by the Lincoln County Fair Board.
10. The LCFB and/or sale committee are not responsible for injury to any animal or exhibitor.
11. Each exhibitor is solely responsible for getting his/her animal to the ring to be selected for sale order. LCFB and/or sale committee are not responsible for any missed opportunity if an exhibitor does not get his/her animal in the official sale order.
12. The judging for sale order will begin at the completion of the selection of the Grand Champion and Reserve Champion of that species except for the market hogs.

LINCOLN COUNTY PREMIUM SALE DISTRIBUTION FUND

Statement of Purpose:

On January 12, 1998, volunteers met to discuss and establish the Lincoln County Premium Sale Distribution Fund/Board (LCPSD Fund/Board) for the sole purpose of providing an optional service for those who prefer to write only one check for the donation of funds to 4-H and FFA exhibitors in the Lincoln County Spring Livestock Premium Sale. It is the intention of the LCPSD Board to in no way affect the collection/dispersal of funds through local community booster clubs. For the year 1998 the LCPSD Board will collect and disperse said funds at no charge. The LCPSD Board reserves the right to change any and all guidelines for future years.

Guidelines

The LCPSD Board will consist of five (5) volunteers (minimum) and up to nine (9) volunteers (maximum). No more than two (2) volunteers will represent any one community in Lincoln County. The members will serve two (2) years after the initial term during which half of the members will serve three (3) years for the initial term to establish a rotation cycle.

Members may succeed themselves. The LCPSD Board will determine policy and guidelines which can be amended/changed at regularly scheduled meetings. A quorum of board members must be present to make decisions with a majority vote of those present.

Funds will be accepted year-round in the designated bank account but will be dispersed only once per year. Monies donated after the yearly distribution will be held and distributed at the distribution the following year with no guarantee that any one specific individual will be a sale participant for the up-and-coming year. Undesignated funds will be divided equally among all exhibitors when the board deems this dispersion necessary, with the exception of a minimal amount to keep the account open, monies to cover expenses incurred with operation of the fund and designated funds for the Lincoln County Premium Sale Fund Scholarship up until the time that said scholarship fund has their own account.

Volunteers will be available on sale day at the sale location, Lincoln County Fair Grounds in the Agri-Civic Center, to accept Donations from 5:30 p.m. until 30 minutes after the close of the sale. A list of the names of the ninety (90) exhibitors participating in the Lincoln County Premium Sale will be available at this time. Donors may donate to one of the 90 exhibitors, all the 90 exhibitors or any number in between, but a minimum of \$5.00 per exhibitor is required to use this optional service. (For instance, 5 exhibitors @ \$5.00 = \$25.00; 90 exhibitors @ \$5.00 = \$450.00)

5. Intention to donate through the LCPSD Fund must be in the hands of the LCPSD Board no later than one week after the date of the sale with actual receipt of funds (in cases of billing) received in the hands of the LCPSD Board or deposited at the BancFirst - no later than 2-4 weeks after the date of the sale.

The LCPSD Board will deposit all funds in the designated account. Checks will be signed by two designated individuals and be available for dispersion no later than four (4) to six (6) weeks after the date of the sale. **Exhibitors are responsible for correct and legible addresses on entry cards.**

A balance sheet of the incoming funds and outgoing funds will be filed with the Chandler Chamber of Commerce, Inc. for the Lincoln County Premium Sale Distribution Fund/Board.

Questions about this optional service may be directed to either an LCPSD Board member or Ron Brown at 405-865-2214.

The Lincoln County Premium Sale Distribution Board assumes no responsibility/liability for any checks returned because of insufficient funds!

The Lincoln County Premium Sale Distribution Board reserves the right to interpret any and all guidelines and the decision of the LCPSD Board is final.
